Dear Parents and families of students in grades 7-9

At our July school board meeting, a field trip to Washington D.C. was approved for students in grades 7-9. The tour company that we are using is Kaleidoscope Adventures. This is a tourism group we've used for past travel.

The enrollment in this trip is from August 1 to October 31. The cost of the trip is dependent upon the number of students enrolled and should be roughly \$600 per student.

70-79 Students	\$632 per student (4 to a room)
80-89 Students	\$574 per student (4 to a room)
90-109 Students	\$529 per student (4 to a room)
110-130 Students	\$549 per student (4 to a room)

Here is an overview of the Washington D.C. trip:

**Dates:** The trip is scheduled for Wednesday, November 16, 2022 through Friday, November 18, 2022.

**Supervision:** Students will be chaperoned by 8 adults, this includes at least one administrator, and multiple teachers.

**Lodging:** Students will be staying overnight in a local DC area hotel which will be determined once we know the final enrollment numbers. There will be 4 students in a room and rooms have two beds. Students will be allowed input into roommate selections, and parents will be informed of final roommate decisions. Roommate forms will go home in early September.

We strongly encourage our students to attend the trip, if possible. There are so many benefits to learning in this way. More information on that will follow in the months to come.

Sincerely,

Will Humphrey,
